

# Evolutionary Influences

Name: \_\_\_\_\_

## Learning Activities – Provide Your Own Examples

Let's say that you have a kitten and you train your kitten to perform two different behaviors on command. Describe one situation in which it should be easy to train the kitten because of evolutionary influences. Describe a second situation in which it would be more difficult to train the kitten because of evolutionary influences. In your description use each of the concepts in an appropriate manner.

Basic concepts: evolutionary contingencies, instinctual drift

Your description:
