

Schedules of Reinforcement

Name: _____

Learning Activities – Provide Your Own Examples

Let's say that you have a ferret and you train your ferret to jump in your lap when you whistle. Assuming that you have already shaped this behavior, describe how you might maintain it with different schedules of reinforcement. In your description use each of the concepts in an appropriate manner.

Concepts: schedule of reinforcement, continuous schedule of reinforcement, partial schedule of reinforcement, fixed ratio schedule of reinforcement, variable ratio schedule of reinforcement, fixed interval schedule of reinforcement, variable interval schedule of reinforcement.

Your description:
